

Part Numbers/ Container Sizes

PART #	PRODUCT NAME	Aerosol cans (12/case) Net Weight/Can	16 Fluid Oz. Trigger (12/case)	Gallon (4/case)	5-Gallon Pail (35 lb.)	55-Gallon Drum (400 lb.)	Caulk Tube (25/cs)	Grease Gun Tube (50/cs)	16 Fl. oz. Drip Bottles (12/cs)	Brush Top Bottles (8 & 16 oz.)	120 lb. Keg	8 oz. Squeeze Tube (12/cs)	16 oz. Wide Mouth Tub (12/cs)	Additional Containers (Contact Pressure-Lube)
JAX100	POWER-PEN	11 oz. (312 g)												
JAX101	AMERICA'S FINEST PENETRATING OIL	11 oz. (312 g)	●	●	●	●								
JAX102	CHAIN DRIVE PIN & BUSHING LUBE	12 oz. (340 g)	●	●	●	●								
JAX104	HEAVY DUTY CHAIN & CABLE LUBRICANT	11 oz. (312 g)	●	●	●									
JAX105	GEAR-GUARD SYNTHETIC OPEN GEAR	11 oz. (312 g)			●		●							
JAX106	LIFT TRUCK & SLIDING TANDEM LUBE	11 oz. (312 g)												
JAX206	BIG JIM	11 oz. (312 g)												
JAX107	BELT DRESSING*	11.5 oz. (326 g)	●	●	●	●								
JAX108	DRY-GLIDE® SILICONE*	10 oz. (283 g)	●	●	●	●								●
JAX208	DRY-GLIDE® WB*	12 oz. (340 g)	●	●	●	●								
JAX308	DRY-GLIDE 3H SILICONE RELEASE**	11.5 oz. (326 g)												
JAX109	FOOD GRADE PENETRATING OIL*	11 oz. (312 g)	●	●	●	●								
JAX110	MAGNA-PLATE 86*	11 oz. (312 g)	●											
JAX211	PEEL-OFF DEGREASER	20 oz. (566 g)*	●	●	●	●								
JAX112	PROTECTO-LUBE	11 oz. (312 g)												
JAX213	HALO-GUARD FG-2*	11 oz. (312 g)			●			●						●
JAX114	MAGNA-PLATE 78*	11 oz. (312 g)	●	●	●									
JAX214	BDF CLING-LUBE*	11 oz. (312 g)												
JAX115	JET FIRE STARTING ETHER	11 oz. (312 g)												
JAX217	TOOL LIFE CUTTING OIL (Non-Chlorinated)		●	●	●	●		●						
JAX120	SNOWPLOW GREASE	10 oz. (283 g)												
00022	CRYSTAL CLEAN CLEANER/DEGREASER (Biodegradable)		●	●	●	●								
00122	GREEN-CLEAN CLEANER/DEGREASER (Biodegradable)		●	●	●	●								
JAX123	STAINLESS STEEL CLEANER & POLISH	14 oz. (398 g)												
JAX124	ELECTRICAL CONTACT CLEANER NON-FLAMMABLE	14 oz. (398 g)												
JAX229	NON-CHLORINATED BRAKE PARTS CLEANER	15 oz. (425 g)*				●								
JAX233	FOOD-GRADE MOLD RELEASE N-S**	15.5 oz. (440 g)*	●	●	●	●								●
JAX134	FOOD-GRADE ANTI-SEIZE*				●				●	●				
JAX234	FOOD-GRADE ANTI-SEIZE AEROSOL SPRAY*	11 oz. (312 g)												
00238	DC CONVEYOR RELEASE WB**		●	●	●	●								
00338	RTU DC CONVEYOR RELEASE**		●	●	●	●								
JAX139	T-OIL** (Food Machinery Coat)	16 oz. (453 g)*	●	●										
JAX140	PÜRCEL KLEAR** (Petrolatum)	11 oz (312 g)			●	●		●			●	●	●	●
JAX141	PYRO-KOTE 220 (High Temp Oven Chain Lube)	11 oz. (312 g)	●											
JAX143	WLTB (WHITE LIFT TRUCK & BOOM)*	11 oz. (312 g)												
JAX144	SYNCLEAR*	11 oz. (312 g)												
JAX145	TEF-STEF DRY FILM LUBRICANT*	10 oz. (283 g)												
JAX146	TROLLEY-GLIDE FG 3H	11 oz. (312 g)	●											
00661	PROOFER OVEN CHAIN OIL*		●											
00740	MAGNA-PLATE 74 AIR TOOL/AIR LINE OIL*			●	●			●						
OMSDH	DE-HESIVE		●		●			●						
08502-025	RING GREASE XL (For Cement Trucks)						●

Aerosol and Alternative Packaging Products

Pressure-Lube Inc. manufactures premium quality aerosol products for industrial, fleet and food plant maintenance. A pioneer in the field of aerosol lubricants, Pressure-Lube strives to carefully research and develop aerosols that specifically fit the user's needs. This results in a product line that outperforms multipurpose sprays, ultimately saving time and money.

FOOD-GRADE LUBRICANTS

Food Grade Penetrating Oil JAX109

A food-grade, high-performance penetrating oil and excellent spray-down oil that helps eliminate flash rust after pressure washing or steam cleaning. Contains Micronox®. NSF H1. (Not intended for direct contact.)

Magna-Plate 78 JAX114

Provides the ultimate protection for operational and mechanical equipment in a food-processing environment. Contains Micronox®. NSF H1.

Magna-Plate 86 JAX110

A 100% synthetic antiwear lubricant for use where extreme low temperatures are a factor. Contains Micronox®. NSF H1.

Dry-Glide Dry-Glide WB JAX108 JAX208

With up to five times more dry friction reduction over average sprays, Dry-Glide can be used anywhere that friction needs to be eliminated. Contains Micronox®. NSF H1.

Dry-Glide 3H Silicone Release JAX308

Extremely effective release agent and incidental contact lubricant. Clear, water-white fine mist. NSF 3H.

BDF Cling-Lube JAX214

Specially formulated and tested for use on overhead applications in federally-inspected meat and poultry plants. Use where dripping oil poses a problem. Contains Micronox®. NSF H1.

Food-Grade Anti-Seize JAX234

Prevents galling seizure, corrosion, wear and friction on fasteners, threads and joints. NSF H1.

Magna-Plate 74 Air Tool/Air Line Oil 00740

For use in food-contact environments on knives, saws, stunning guns and air tools. Contains Micronox®. NSF H1.

Halo-Guard® FG-2 JAX213

A true high-performance, food-grade grease for heavily-loaded applications. Available in aerosol cans and grease tubes. Contains Micronox®. NSF H1.

Belt Dressing JAX107

Contains no resin or asphalts; will absolutely not collect dirt or abrasive materials. Increases belt life and power output and reduces belt slip. NSF H1.

Synclear JAX144

A high-temperature synthetic grease. Use on rolling elements, plain bearings and joints and linkage areas. NSF H1.

Tef-Stef Dry Film Lubricant JAX145

For applications that require a clean, dry non-silicone-based lubricant that will not attract particulates. NSF H1.

Trolley-Glide FG 3H JAX146

Premium Direct-Contact Trolley Lubricant. NSF 3H.

T-Oil JAX139

A food plant machinery coat for use after power washing production equipment or as a light lubricant. NSF 3H.

PürGel Klear JAX140

Will resist or retain moisture and create a seal. For use on valves, rings, seals and gaskets. Available in numerous packages including aerosol cans and grease tubes. Pure, clean petrolatum. NSF 3H.

Food-Grade Mold Release N-S JAX233

Non-soy formulation for use in the manufacturing of cheese, candy, bakery, cooked protein products and meat packaging. NSF 3H.

DC Conveyor Release WB RTU DC Conveyor Release 00238 00338

A release spray for wire or slat belts. Exhibits excellent dilution stability in both hard and soft water. JAX RTU DC Conveyor Release is a ready-to-use pre-diluted version of DC Conveyor Release WB. NSF 3H.

De-Hesive OMSDH

Light lubricant that can be used to thin greases and other high viscosity oils in Food Processing applications. H1.

FLEET AND MATERIAL HANDLING

Heavy-Duty Chain & Cable Lubricant JAX104

Heavy grease base with two types of dry-film lubricants (graphite and moly) provides exceptional antiwear performance. Excellent penetrating action. NSF H2.

Lift Truck & Sliding Tandem Lube JAX106

Provides a tenacious film of lubricant to all sliding metal surfaces. Use on forklifts and sliding tandems. Will not drip! NSF H2.

Big Jim JAX206

Formulated for the logging industry, this is an extremely thick, high-cling open gear grease spray with added moly and graphite. Also makes an excellent easy-to-use 5th wheel pad lubricant.

Jet Fire Starting Ether JAX115

Unlike low-cost retail brands of starting fluid, we pack a full 85% ether in our can to ensure quick starts down to -65°F (-54°C).

Non-Chlorinated Brake Parts Cleaner JAX229

Effective at removing brake fluid, grease, oil, road grime and other contaminants. Low-VOC compliant.

Snowplow Grease JAX120

For use on municipal snowplowing equipment for the wing posts & husting hitches. Use on any metal-to-metal application that requires adherence. It is also effective in water parks for use on "wet" mechanicals.

WLTB (White Lift Truck & Boom) JAX143

For forklifts that operate in food, beverage or pharmaceutical processing areas. Use on telescoping boom cranes where a white lubricant is preferred. NSF H1.

INDUSTRIAL LUBRICANTS

Power-Pen JAX100

A high-performance penetrating lubricant with PTFE that is environmentally friendly and contains no chlorinated solvents. NSF H2.

America's Finest Penetrating Oil JAX101

Formulated to penetrate and loosen nuts and hinges more quickly, this product provides long-lasting lubrication. NSF H2.

Chain Drive Pin & Bushing Lube JAX102

A clean, amber penetrating lubricant that soaks deep into the inner strands of cables and the intricate pins of industrial chains. Has gentle foaming action and cling. NSF H2.

Tool Life Cutting Oil JAX217

A general-purpose tapping, reaming and machining fluid that cools and extends tool life. Now non-chlorinated.

Gear-Guard Synthetic JAX105

Ultimate performance in severe applications, with a wide temperature range to handle tough environments. Provides exceptional water resistance, film adhesion and wear protection. Base and fluid are synthetics. NSF H2.

Protecto-Lube JAX112

A dry-film moly spray for long-term lubrication and rust proofing. An excellent anti-seize compound and rust preventative. NSF H2.

Pyro-Kote 220 JAX141

This high-temp oven chain lube has a fully synthetic formulation. It boasts a flash point of 590°F (310°C) and yet burns extremely clean, leaving no residue or ash due to its low volatility chemistry. Non-flammable aerosol.

SOLVENTS AND CLEANERS

Peel-Off Degreaser JAX211

A non-chlorinated degreaser that is more compatible with a greater number of metals, plastics and elastomers. NSF K1.

Stainless Steel Cleaner & Polish JAX123

Polishes, cleans and shines any high-luster surface without film or oily residue. NSF A7.

Electrical Contact Cleaner Non-Flammable JAX124

Uses include cleaning oil, dust, dirt or varnish from all electrical and electronic components. NSF K2.

Green-Clean Crystal-Clean Cleaner/Degreaser 00122 00022

A biodegradable, environmentally-friendly water-based concentrate which can be diluted as needed. Crystal Clean is a clear version of Green-Clean. NSF A1.

NON-AEROSOL ALTERNATIVES

FOOD-GRADE FORMULATIONS:

- Belt Dressing
- DC Conveyor Release WB
- Dry-Glide Silicone
- Food-Grade Anti-Seize
- Food-Grade Mold Release N-S
- Food Grade Penetrating Oil
- Halo-Guard FG-2 Grease Tubes
- Magna-Plate 74 (drifter bottle only)
- Magna-Plate 78
- Magna-Plate 86
- Proofer Chain Oil
- PürGel Klear
- RTU DC Conveyor Release

INDUSTRIAL FORMULATIONS:

- America's Finest Penetrating Oil
- Chain Drive Pin and Bushing Lube
- Crystal-Clean Cleaner/Degreaser
- Green-Clean Cleaner/Degreaser
- Heavy-Duty Chain and Cable Lubricant
- Peel-Off Degreaser
- Pyro-Kote 220
- Tool Life Cutting Fluid (drifter or trigger spray)

JAX Trigger Spray products are packaged in cases of twelve 16 fluid oz. recyclable bottles and four reusable trigger sprayers. Additional trigger sprayers are available; use Part # JAX400 (12 sprayers).
