

RHINO BRITE Plus

Introducing Rhino Brite Plus! Our most powerful, low pH presoak containing no ABF or HF!

Rhino Brite Plus can reduce pail or drum changeover because of its high strength and super concentrated formula – simply use at a comparable titration to any alternative and see drums last longer between changeovers.

AVAILABLE IN 6 AND 30 GALLONS.

Rhino Brite Plus allows you to clean like the harshest low pH acid presoaks but without the safety risks or aggressiveness to equipment like ABF or HF based products.

Product Data	
Product:	#1570
pH:	< 1
Scent:	None
