Maintenance Cleaning Product Guide

Emulsion Degreasers

DuSqueeze	D-limonene solvent cleaner							•••
DuSqueeze AF	D-limonene solvent cleaner/amine free							•••
Expedite	Heavy duty, low pH, versatile industrial cleaner							•••
Expedite NFP	Heavy duty, low pH, versatile industrial cleaner/no flash point							•••
Like-New	Water based, multi purpose, cleaner and degreaser							••
Super Mul	Economical, no foam, versatile solvent cleaner							
Twist	Multi-purpose, heavy duty, 100% biodegradable solvent cleaner							•••

Floor Cleaners

Actex	Granular heavy duty floor cleaner							•
DuMETER Neutra-Lift	Super concentrated, economical, low pH floor and GP cleaner							•
DuMETER Power Lift	Super concentrated, heavy duty floor cleaning and degreaser							•
DuMETER Quick Lift	Super concentrated, patent pending oil-splitting floor and GP cleaner							•
DuMETER Super Lift	Super concentrated, medium to heavy duty floor cleaner/ provides fast drying							•
Econo-Lift	Economical, high quality, low foaming floor cleaner							•
Lift-Away	Safe, caustic-free floor cleaner with surfactants							•••
Liquid Pro-Floor	Economical, heavy duty, alkaline floor cleaner							•
Neutra-Lift	Economical, safe, low pH floor and GP cleaner							•
OP #34	Heavy duty, granular concrete floor cleaner							••
Power Lift	Heavy duty, low foaming, floor cleaner and degreaser							•
Quick Lift	Patent pending oil-splitting floor and GP cleaner							•

General Cleaners

Divobrite	Heavy duty, noncaustic, alkaline cleaner							•••
Fresh Kleen	Lemon scented, hard surface cleaner							••
Image Neutral Cleaner	Neutral pH floor cleaner for tile, ceramic, sealed wood and painted metallic surfaces cleaner							•
Jettacin	Multi-purpose solvent cleaner/medium to heavy duty							•
Lift	Economical, safe, multi-purpose cleaner and degreaser							•••
Liquid Wunrub 13	Versatile, safe, multi-purpose alkaline cleaner							••
NFP Jettacin	Multi-purpose cleaner/medium to heavy duty/ no flash point							••
Prime	Safe and versatile general purpose cleaner							•••
Radi-aze	Medium duty alkaline degreasing cleaner							•••
Radiaze LF	Medium duty alkaline degreasing cleaner/low foaming							•

DuJel Products

DuJel 300	Ready to use acidic gel cleaner/scale remover							Gel
DuJel 700	Ready to use noncaustic gel cleaner							Gel
DuJel 870	Ready to use heavy duty gel cleaner							Gel
DuJel 1150	Ready to use alkaline chlorinated gel cleaner							Gel
DuJel 1200	Ready to use heavy duty caustic alkaline gel cleaner							Gel

Solvent Cleaners

Actusol T-776	Highly active solvent based cleaner and degreaser/pine scent								N/A
D.K. Solvent	Booster solvent for alkaline and neutral cleaners								N/A
Divomix 103	Concentrated, spray on rinse off engine degreaser								N/A
GangBusters	Graffiti remover								N/A
IFM-622	Solvent cleaner, safe replacement for acetone, MEK, methylene chloride								N/A
IRX-4	Solvent emulsion cleaner for use in petroleum and chemical industries								N/A
ISC-24A	Resin, adhesives and stickies remover								N/A
Lectro-Saf III	Electrical contact and circuit board cleaner								N/A
Natra-Kleen	Natural (d-limonene) solvent degreaser								N/A
Rail Solv	Low odor solvent cleaner and degreaser								N/A
Resolute 104	Resin, paint and coating cleaning solvent								N/A
Saf-Zol Plus	Substitute for highly toxic chlorinated solvent cleaners								N/A
Solv-Kleen	Solvent cleaner degreaser for parts washer and manual cleaner								N/A
Spirit 126	Odorless solvent degreaser/flash point 126 F								N/A
Spirit 141	Premium safety solvent degreaser/flash point 141 F								N/A
Spirit 170	Nonconductive solvent degreaser/flash point 170 F								N/A
Spirit 221	Low odor alipatic solvent degreaser/flash point 221 F								N/A

Specialty Products

222	Powerful sewer and drain line opener								N/A
745 Aerosol	Silicone, multi-purpose dry lubricant								N/A
Arrest-D	Water soluble deodorant with herbal scent								N/A
C-Thru	Ammoniated glass cleaner								N/A
DG-66	Aerosol/safety solvent degreaser								N/A
D'Germ	Biocidal toilet system cleaner								N/A
DuNeutra-O	Odor controlling neutralizer								N/A
Dust-Stop	Dust control agent								N/A
Odor-Zone	Instant odor counteractant pellets								N/A
RP 103	Ferrous metal corrosion inhibitor								N/A
Sterling Wunrub 83	Powdered hand cleaner with borax and lanolin								N/A

DuBois is uniquely qualified to be your single source maintenance cleaning provider. Since 1920, DuBois has been developing innovative cleaning programs for all types of industry. DuBois integrates chemistry, dilution control equipment, and application techniques to deliver optimum results while controlling your total maintenance cleaning costs. Our specialty chemicals are manufactured and warehoused throughout the US and Canada. DuBois is ISO 9001:2000, ISO 14001:2004 and ISO 17025 registered.

Emulsion Degreasers

DuSqueeze

DuSqueeze is formulated for heavy duty cleaning of industrial soils such as lubricating oils and greases, inks, glues and adhesives, waxy soils, rubber, and other resinous soils. This product is a concentrated blend of natural solvent, wetting agents and surfactants. DuSqueeze contains no phosphates and conforms to AMS 1526 standards for aircraft exterior surfaces. DuSqueeze has a pleasant citrus scent. Available in cases, pails, metal drums, & totes.

DuSqueeze AF

DuSqueeze AF is formulated for heavy duty cleaning of industrial soils such as lubricating oils and greases, inks, glues and adhesives, waxy soils, rubber, and other resinous soils. This product is a concentrated blend of natural solvent, wetting agents and surfactants. DuSqueeze AF is an amine-free formula. DuSqueeze AF does not contain SARA reportables. DuSqueeze AF has a pleasant citrus scent. Available in pails & metal drums.

Expedite

Expedite is a heavy duty degreaser used to remove heavy duty grease, oil buildup, carbonaceous deposits, shop oils, sludge, encrusted oily grime, and other soils derived from petroleum distillates. This product is a blend of aliphatic solvents, synthetic surfactants and detergents. Expedite has a flash point of 210F and a low pH giving it maximum user safety. Expedite does not contain SARA reportables. Available in metal drums, totes, & bulk.

Expedite NFP

Expedite NFP is a degreaser with no flash point designed to remove the toughest grease, oil and carbonaceous soil from concrete and metal equipment surfaces. This product contains a

powerful blend of solvents and other detergent components. Expedite NFP contains no petroleum distillates. Available in metal drums, totes, & bulk.

Like-New

Like-New is a multi-purpose degreaser that dissolves accumulated industrial oil deposits in minutes. It is a water-based cleaner designed to replace kerosene, varsol and other organic solvents in all industrial degreasing processes. Available in plastic drums.

Super Mul

Super Mul is used for emulsion cleaning on many metals for wipe-down maintenance cleaning in factories, shops, roundhouses, truck depots, and marine ways. It can also be used for rust control in rinse stages of washers in steel wash tanks, on parts between operations, and for overnight storage on prewetting before alkaline or flush cleaning. This product has been formulated with emulsifiers, soil softening agents, rust inhibitors, and coupling agents. Super Mul does not contain SARA reportables. Available in metal drums & totes.

Twist

Twist is a multi-purpose solvent cleaner designed to remove the toughest grease, oil, and carbonaceous soil from concrete and metal equipment surfaces. It is even effective on asphalt and related soils. Twist is a powerful blend of solvents, surfactants, and other detergent components. It contains no petroleum hydrocarbon solvents, chlorinated solvents, glycol ethers, or hard alkali. Twist has a pleasant lemon scent. Available in pails, metal drums, & totes.

Legend			
US/Canada	Milder pH, no phosphates, no SARA reportables	Best in Class: preferred product, superior performance	Great Value, economical

Actex

Actex floor cleaner is a dustless powder formulated for heavy duty grease-lifting and grease-holding power. Special wetting agents in high proportion provide quick removal of heavy soil accumulations from floors, garbage cans, storage areas, and loading docks. Actex does not contain SARA reportables. Actex has a pine scent. Available in fiber drums.

DuMETER

DuMETER system cleaners must be dispensed via the DuMETER chemical control system. DuMETER features consignment billing and all products are safe for use in all power floor scrubbers. Products can be used in floor cleaning, general cleaning, steam and pressure cleaning. All DuMETER products do not contain SARA reportables.

DuMETER Neutra-Lift

DuMETER Neutra-Lift is an excellent plant-wide, multi-use product for virtually all maintenance cleaning applications. Neutra-Lift contains no caustic for user safety and to facilitate effluent treatment. Available in pails & totes.

DuMETER Power Lift

DuMETER Power Lift is formulated to be used as a heavy duty general cleaner/degreaser. A unique blend of low foaming detergents, grease emulsifying agents and soil suspending agents give DuMETER Power Lift its superior ability to penetrate even the toughest soils. Available in pails & totes.

DuMETER Quick Lift

DuMETER Quick Lift is a multi-purpose, industrial cleaner formulated to quickly disperse oils for easy treatment of the waste stream. The innovative technology enables oils and greases to be effectively removed from surfaces, yet be released in the water stream for quick, low-cost elimination from the effluent. DuMETER Quick Lift contains no chelants, silicates, or phosphates. Available in pails & totes.

DuMETER Super Lift

DuMETER Super Lift is a concrete floor and general cleaning compound formulated to remove medium to heavy soils. Contains nonhazardous ingredients. Available in pails & totes.

Econo-Lift

Econo-Lift is an economical general cleaner designed for use in floor scrubbers, steam cleaning, pressure cleaning and manual cleaning. Its blend of solvents and surfactants quickly penetrates and lifts industrial soils from hard surfaces. Available in pails, plastic drums, totes, & bulk.

Lift-Away

Lift-Away is a heavy duty floor cleaner formulated for concrete and other hard surfaces, yet gentle enough to be used in diluted form on the finest floors. Lift-Away has excellent soil emulsifying power and complete and easy rinsing. Available in plastic drums.

Liquid Pro-Floor

Liquid Pro-Floor is recommended where a heavy duty cleaner is required for the removal of stubborn, heavily crusted or neglected soils. Liquid Pro-Floor can be used for the exterior of most types of machinery and equipment, as well as floors, walls, engine blocks and transmissions. Available in totes.

Neutra-Lift

Neutra-Lift is a multi-purpose cleaner ideal for cleaning a wide variety of light to heavy industrial soils. Neutra-Lift is highly concentrated thus provides a low use cost. Neutra-Lift contains non-hazardous ingredients. Neutra-Lift does not contain SARA reportables. Available in pails, plastic drums, totes, & bulk.

OP #34

OP #34 is a heavy duty powder cleaner formulated for cleaning ceilings, walls and concrete floors. The chemical ingredients are optimized to provide the highest cleaning performance. This product can be used for cleaning service stations, parking lots, shipping & warehousing areas, maintenance departments, truck terminals and factory floors. Available in fiber drums.

Power Lift

Power Lift is an economical general cleaner formulated to remove the toughest soils, such as, grease, oil and rubber tire marks. A unique blend of low foaming detergents, grease emulsifying agents and soil suspending agents give Power Lift its superior ability to penetrate even the toughest soils. Power Lift does not contain SARA reportables. Available in pails, plastic drums, totes, & bulk.

Quick Lift

Quick Lift is a multi-purpose, industrial cleaner formulated to quickly disperse oils for easy treatment of the waste stream. The innovative technology of Quick Lift enables oils and greases to be effectively removed from surfaces, yet be released in the waste stream for quick, low-cost elimination from the effluent. Quick Lift does not contain chelants, silicates or phosphates. Quick Lift does not contain SARA reportables. Available in pails, plastic drums, & totes.

General Cleaners

Divobrite

Divobrite is a heavy duty cleaner specifically formulated to clean and degrease the toughest industrial greases and oils from industrial machinery and mechanical components. This product is a noncaustic water-based product which contains an exceptional blend of chelating agents, surfactants and grease cutters. This formulation makes Divobrite a water-based biodegradable alternative to all hydrocarbon based (e.g. varsol, kerosene, etc.) engine cleaners and degreasers. Available in pails, plastic drums, & bulk.

Fresh Kleen

Fresh Kleen is a general purpose hard surface cleaner designed primarily for vehicle interior cleaning, such as buses, passenger trains, ship cabins and aircraft. Fresh Kleen also is a great multi-purpose cleaner for a variety of hard surfaces such as floors, toilet bowls, walls, tile and other washable surfaces. This product cleans and deodorizes in one step and controls the growth of odor-causing bacteria. Fresh Kleen has a pleasant lemon scent. Available in plastic drums.

Image Neutral Cleaner

Image Neutral Cleaner is a multi-purpose cleaner that can be used on composition tile, sealed wood, terrazzo, ceramic tile, walls and painted metallic surfaces. This product contains emulsifiers that remove soil efficiently without harming or dulling floor surfaces. Image Neutral Cleaner contains no alkali, solvents, phosphates, silicates, or chelants. Image Neutral Cleaner does not contain SARA reportables. Image Neutral Cleaner has a green apple scent. Available in plastic drums.

Jettacin

Jettacin is a multi-purpose cleaner for medium to heavy duty cleaning. A unique blend of surfactants and emulsifying agents, plus a natural solvent, give Jettacin its ability to break the bond of even the toughest soils. Jettacin does not contain SARA reportables. Jettacin has a mild citrus scent. Available in pails, metal drums, totes & bulk. US Available in pails, metal drums, & bulk. CN

Lift

Lift is a multi-purpose cleaner and degreaser which removes a broad spectrum of soils, greases, and oils from any surface which water will not harm. This product will remove and emulsify soils so that the surface being cleaned will wipe or rinse soil and film free. Available in cases & plastic drums. US Available in pails, plastic drums & totes. CN

Liquid Wunrub 13

Liquid Wunrub 13 is a versatile product for cleaning a variety of equipment and surfaces. Liquid Wunrub 13 is particularly effective in removing baked-on carbon and oil from surfaces such as bus engines and aluminum or fiberglass frames, bodies and fire walls. Available in plastic drums.

NFP Jettacin

NFP Jettacin is a medium to heavy duty detergent with no flash point. A unique blend of surfactants and emulsifying agents, plus a solvent blend, give NFP its ability to clean and emulsify the toughest industrial soils, leaving a residue free surface after rinsing. NFP Jettacin does not contain SARA reportables. NFP Jettacin has a mild citrus scent. Available in pails, plastic drums, totes, & bulk.

Prime

Prime is a versatile cleaner designed to handle a wide variety of tough cleaning jobs. The active ingredients provide economy by eliminating the need for two or three compounds for different jobs. Available in plastic drums.

Radi-Aze

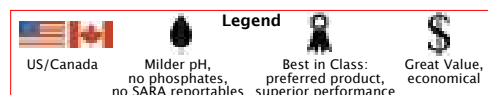

Radi-Aze is a light to medium duty, economical alkaline cleaner for use in a wide range of cleaning applications. Radi-Aze has superior grease cutting ability and breaks the bond that holds soils to surfaces and holds the soil in suspension. Available in pails, plastic drums, totes, & bulk.

Radiaze L.F.

(Low Foaming)

Radiaze L.F. is applicable to all industries and is very effective in removing the tenacious soils encountered on floors in processing plants. Radiaze L.F. is a medium to heavy duty cleaner consisting of a synergistic blend of wetting agents and emulsifying solvents. Radiaze L.F. does not contain SARA reportables. Available in plastic drums & totes.

DuJel products are ready to use and cling to vertical surfaces to obtain prolonged contact time and good soil penetration. All DuJel products contain no SARA reportables and also do not contain alkyl phenol ethoxylates (APE's).

DuJel 300

(Acidic Gel Cleaner)

DuJel 300 is highly effective on inorganic soils especially calcium carbonate

Available in plastic drums & totes.

DuJel 700

(Non-Caustic Gel Cleaner)

DuJel 700 is highly effective for removal of both organic and inorganic soils. DuJel 700 is a neutral general purpose cleaner with surfactants to provide excellent cleaning and free rinsing.

Available in plastic drums & totes.

DuJel 870

(Solvent Gel Cleaner)

DuJel 870 is a gelled version of Expedite and formulated to provide heavy duty cleaning of vertical surfaces, which are difficult to clean with liquids or foam. DuJel 870 is ready to use and clings to vertical surfaces to obtain prolonged contact time and good soil penetration.

Available in pails, plastic drums, totes, & bulk.

DuJel 1150

(Alkaline Chlorinated Gel Cleaner)

Highly active polymers, biodegradable surfactants, alkalinity and chlorine are combined to provide convenience and economy in one package. DuJel 1150 is similar to Master Kleen Plus.

Available in plastic drums & totes.

DuJel 1200

(Alkaline Gel Cleaner)

DuJel 1200 is formulated to provide heavy duty cleaning of vertical surfaces, which are difficult to clean with liquids or foam. DuJel 1200 is similar to DuJet. DuJel 1200 contains no solvents and is ready to use.

Available in plastic drums & totes.

Steam Cleaners

Blast

Blast is a heavy duty, multi-purpose industrial cleaner. Blast is a well balanced, energized steam cleaning compound and does not contain phenols, cresylic acids or chromates. It effectively resists coil clogging and will not corrode equipment. Blast does not contain SARA reportables.

Available in metal drums.

C-1102

C-1102 is a high performance general cleaner which contains a special blend of wetting and emulsifying agents for superior penetration and removal of tough industrial soils. Once the soil bond is broken, soil is held in suspension until rinsed. C-1102 contains phosphate for effective hard water control.

Available in plastic drums, totes, & bulk.

DuBois Bulk Degreaser

DuBois Bulk Degreaser is a versatile, economical, powerful detergent formulated to remove the toughest soils such as grease, oil and rubber tire marks. A unique blend of low foaming detergents, grease emulsifying agents and soil suspending agents make up this product. DuBois Bulk Degreaser does not contain SARA reportables.

Available in pails, totes, & bulk.

DuJet

DuJet cleans heavy buildups of grease, oil, and other carbonaceous soils and is especially effective in applications where a relatively safe, yet thorough and penetrating cleaner is required. DuJet may be used as a one-step cleaner, but may also be used as the alkaline step of the DuBois two-step shock cleaning system. DuJet does not contain SARA reportables.

Available in plastic drums, totes, & bulk.

HD-88

HD-88 is a heavy duty liquid, designed for steam cleaning of all industrial grease, oil, dirt, paint and other surface contaminants from ferrous surfaces. HD-88 is effective over a wide water hardness range and is economical to use.

Available in plastic drums.

Liquid Blast

Liquid Blast is used for penetrating and emulsifying tenacious soils encountered in a wide range of maintenance applications. It is designed for heavy encrusted soils or for removal of caked greases, carbonized oils and other difficult soils. Liquid Blast is a nonphosphated formula and acceptable for use in phosphate-restricted areas.

Available in plastic drums & totes.
