

The background of the advertisement features a vibrant green color scheme. In the lower half, a green car is shown from a side-front perspective, driving on a road that recedes into the distance. The car's surface is highly reflective, mirroring the surrounding green environment. In the upper right corner, a white lightning bolt strikes down against a bright green sky. The overall composition is dynamic and emphasizes speed and environmental friendliness.

DuBois

**Accelerated Fabric Performance
Is Safer & Greener**

Do You Have Any of These Problems?

- Slow press fabric break-in?
- Disrupted production during press fabric break-in?
- Sheet moisture profile issues?
- Reduced fabric life, downtime or fabric filling?
- Fabric issues from strength aids, stickies, fillers or sizing?

DuBois offers unique solutions to these problems. Our solutions enhance fabric performance while having the best safety and environmental profile possible.

Neutra Shield™

Neutra Shield is a non-VOC fabric treatment and performance aid.

- Improves fabric break-in period
- Prevents soil deposition and never requires stripping

Sure Safe®

Sure Safe is a patent-pending line of cleaners designed to replace highly alkaline cleaners.

- Cleans all machine fabrics and can be used for system or machine cleaning
- Used for continuous, batch on-the-fly or DuPulse® felt cleaning

Altrox®

Altrox is a line of patented, peroxygen-based fabric cleaners.

- Removes strength resins, CMC and creping and release chemistries.
- Replaces hypochlorite batch washing

Felt Kleen Accel™

Felt Kleen Accel is an organic acid-based cleaner for high-speed machines.

- Superior wetting package for cleaning during production
- Cleans a wide range of soils, especially scale and filler

Environmental and Safety Benefits

- Noncorrosive to skin
- No alkyl phenol ethoxylate surfactants (APE's)
- No hazardous air pollutants (HAP's)
- No SARA 313 reportable ingredients
- No California Prop 65 ingredients
- Cleared for use under FDA Title 21 CFR paragraphs (176.170 and 176.180)
